In the Matter of 2002 Biennial Regulatory Review -
Review of the Commission's Broadcast Ownership Rules
and Other Rules Adopted Pursuant to Section 202
of the Telecommunications Act of 1996,
Notice of Proposed Rulemaking,
MM Docket No. 02-277, (rel. Sept. 23, 2002)

To: The Secretary, FCC Commissioners, and Chief, Media Bureau

I am writing to you today to comment on Docket No. 02-277, The Biennial
Review of the FCC's broadcast media ownership rules.

I urge you NOT to let this deregulation of media to
occur. Please, set aside frequencies specifically for
public use and limit the amount of frequencies that
can be licensed by corporations. I am also concerned about the ownership
of different media by the same entity. In the interests of democracy,
more than one voice should be heard, so I believe we should not allow one
group to own local local newspaper, TV and radio stations.

Thank you,
